

Family plan

4 days / 3 nights

Wet season 2024
June - November

Groups of
1 – 8 max.

Day 1: Orion Gate + Laguna Negra Lake

We will be waiting for you to get lunch and then go for a walk among rock formations to finish with a boat ride in Caño Negro creek and Laguna Negra lake in where we can watch some wildlife and take a refreshing bath. We go back to the hotel by dusk. Night off.

13 km (20 min) / each way

20 min / each way

4,5 km approx.

Day 2: Nuevo Tolima + Natural Swimming Holes

We start around 8h with the visit of a charming archaeological site with ancient rock art and a viewpoint. After lunch we go enjoy the afternoon in the natural swimming holes of La Esperanza creek. We go back to the hotel in the afternoon. Night off.

25 km (45 min) / each way

4,5 km approx.

Day 3: Colored Rivers

We get ready at 8 h for a full day of colored rivers in two different creeks with endemic colored water plants, both with spaces for bathing downstream. We go back to the hotel in the afternoon. Night off.

12 km (15 min) / each way

2,5 km approx.

Day 4: Natural Tunnels

After breakfast, we start around 7h30 with a hike among rock formations and a natural swimming hole for bathing. We will back soon enough to get lunch and return's flight.

13 km (25 min) / each way

6 km approx.
